FOR IMMEDIATE RELEASE – Washington D.C. – Today, the National Demolition Association (NDA) released their 2024 National Policy Agenda which outlines a comprehensive advocacy agenda for the demolition industry in the upcoming year.

"The National Demolition Association (NDA) is proud to share its 2024 National Policy Agenda with Members of Congress and the Biden administration," said James Milburn, President of NDA. "The National Policy Agenda serves as an important guide and resource for policymakers as they work to address the greatest challenges facing the country. The United States demolition industry supports policies that will sustain economic growth, encourage workforce development, ensure workplace safety, and foster environmental stewardship."

The 2024 NDA National Policy Agenda is divided into 10 different policy areas:

- Workplace Safety & Health;
- Workforce Development;
- Labor & Human Resources;
- Tax Policy;
- Environmental Stewardship;
- Healthcare;
- Disaster Response;
- Procurement Transparency & Fairness;
- Trade; and
- Infrastructure.

About the National Demolition Association

The National Demolition Association (NDA) is a nonprofit trade organization representing approximately 500 U.S. and Canadian companies and many international firms that are involved in the demolition process. NDA is the voice of the demolition industry in Washington and throughout the nation. NDA's primary mission is advocacy and education to strengthen the business environment of the demolition industry. Membership includes demolition contractors, general contractors and civil engineers abreast of environmental, regulatory and safety matters. Visit www.demolitionassociation.com to learn more about NDA's offerings.
